Amman first learned about Babaji as a teenager in 1969 and was initiated into kriya yoga in 1970 by Yogacharya J. Oliver Black, a lay minister of SRF (Self Realization Fellowship) and direct disciple of Paramahansa Yogananda. In the mid 1980's he lived with Yogacharya Black at his his yoga retreat in northern Michigan. In 2006 Amman rediscovered Babaji and has since then gained greater insight into yoga through Babaji's Kriya Yoga. Amman has spent most of his working life in northern and western Canada in the environmental field. Amman conducts several initiations into Babajis Kriya yoga at select locations annually.
